

Access and Inclusion Statement

The North Coast Regional Botanic Garden in Coffs Harbour welcomes people with access needs.

- The garden caters for people who use a wheelchair, walker assist device and parents with strollers.
- Has two accessible public toilets which are unlocked during the opening hours.
- Has plans three disability access parking spaces with wheelchair accessible signage. (Completion March 2024)
- Has step free access to both indoor meeting rooms.
- Has step free outdoor pathways, including to picnic areas.
- Has wheelchair accessible transport options available to the garden entrance including wheelchair accessible taxis and community transport.
